Subject: **36th HERITAGE DAY, CAMP BETHEL, Sat., Oct. 3, 2020, 7:30am-2:30pm.**

Dear Friends,

***Camp Bethel needs YOUR participation!***

We encourage you and your congregation to participate in Camp Bethel's 36th Annual Brethren Heritage Celebration, also known as Heritage Day. With many additions and changes to the event since 1984, Heritage Day still remains the "grandest of Camp Bethel's days." In 2019, your combined efforts and events raised \$38,492! 100% of Heritage Day revenue directly funds our ministry; **thus Heritage Day is camp's most important fund-raising event**, providing 6% of camp's total annual funding!

Please join our 2020 Heritage Day Festival!

It is our hope to have EVERY Virginia District congregation participating in or attending Heritage Day. Participants and helpers may lodge or camp at Camp Bethel Friday and Saturday night, Oct 2-3 free of charge with RSVP 540-992-2940 or **CampBethelOffice@gmail.com**. If your church can't participate with a booth, help in one or more other ways:

- Donate new or like-new pint jars (and new lids/rings!) for Heritage Day Apple Butter, or
- Plan a September/October Sunday special offering to Camp Bethel in honor of Heritage Day, or
- Help with set-up on Friday, help with parking Saturday or with 2:30 take-down and clean-up,
- Commit to announcing Heritage Day in your September Sunday services, copy and include the enclosed bulletin insert in your September Sundays, and copy and hang the enclosed flier several places in your church and in your local businesses.

The Camp Property Committee is seeking volunteers to help with PARKING cars in 2-hour shifts 6:00am-2:00pm on October 3. Contact 540-992-2940 or **CampBethelOffice@gmail.com**.

Our day on October 3 opens to the public with 7:30am breakfast in the Ark and at Mount Union's booth, and booths open throughout camp 9:00am-2:30pm. We will have food, children's fishing, wonderful crafts and sale items, plenty of Brethren Heritage items and demonstrations, live music and blessed fellowship of faithful servants!

Please complete and return your "Exhibit Space and Registration Form" OR submit your information on line at [www.CampBethelVirginia.org/heritage-day](http://www.CampBethelVirginia.org/heritage-day), all by September 27. **Please note that our festival is EXEMPT from formerly required food permitting through the Health Department.**

If you have any questions about Heritage Day, the health regulations, lodging or helping, call Barry at 540-992-2940 or e-mail **CampBethelOffice@gmail.com**.

Thank you for your donations, your jars, and your help, and see you here for Heritage Day on Saturday, October 3, 2020!

Together, in Christ our hope,

Barry LeNoir, camp director

- 1. Plan A or Plan B?** Only in the case of HEAVY rain will we move into the Gym (see Plan B map). If there is rain, we will announce our decision by 6:00am Saturday and we will post this information on the office porch as well as call cell phones of vendors.
- 2. Find your vending area** and corresponding map number on the enclosed maps for both PLAN A and PLAN B. For PLAN A (out-of-doors), almost everyone is located the same spot and number as previous years.
- 3. YES, you may set up Friday.** We are providing lunch to any volunteers present on Friday at 12:30. Please RSVP.
- 4. Vendor/volunteer PARKING is behind the Craft House.** *Please do not park at your booth.* Please move vehicles out of main campus to behind the Craft House before 8:30am Saturday. See map for other parking areas. If you arrive on Friday evening, unload then park behind the Craft House; by Saturday morning, do NOT park in the Ark Lot or the Deer Field. **Yes, some folks use their vehicles for the vending booth or park right behind their booth,** and Barry has pre-approved you for this. No worries!
- 5. BAGGED ICE** is available free in the Ark's exterior freezer (right door), 6:30-10:00am Saturday. Bring your own cooler.
- 6. Standard drink pricing:** Please sell 12oz canned sodas for \$1.00 and 12-16oz (.5L) bottled water for \$1.00. Sell 20oz+ bottled sodas & water for \$2.00. Other drink pricing (coffee, tea, etc.) is determined by you, but consider a \$1.00 even fee to avoid coins. If the weather is cool, plan to sell more hot drinks than usual.
- 7. Money bags/change: Please bring lots of your own ones, fives and coins.** Barry LeNoir will deliver your money collection bag to you at your site location by 9:00am Saturday morning. Inside each collection bag are 2 forms to use when tallying your earnings at the end of the day. After 2:30 today, please carefully tally the total amounts for all checks, cash and change, complete the forms, organize the bills in all the same direction, and deliver your bag to our collector on the Office Porch (#1) as soon after 2:30pm as possible. Turn in one completed form; keep the other completed form for your records. Call or text Barry at 540-797-3149 if you need extra ONES or FIVES.
- 8. Camp will provide sanitation kits** to those groups serving foods. Return these bagged kits to the box on the office porch at the end of the day.
- 9. Clean-up & break-down:** After 2:30 Saturday, please help with clean-up:
  - Empty your hand-washing station of all clean water; empty and rinse your bilge bucket. If bilge is exceptionally nasty or chunky, pour bilge into toilet and flush, per health dept rules.
  - Move clean buckets, hand-wash barrels & stands to the grass in front of LaMont cabin by the Craft House.
  - Please take as much trash as you can to the dumpster above the Ark Parking Lot.
  - Take sanitary kit (if assigned one) and soap from wash-station to the box on the office porch.
  - Take site number & pole to the box on the office porch.
  - As soon as possible, take money bag and completed tally form to the office porch.
- 10. Report of funds raised:** Saturday evening, Barry will post final statistics on our web site at [www.CampBethelVirginia.org/heritage-day](http://www.CampBethelVirginia.org/heritage-day) for reporting on Sunday morning to your congregations. Also, be certain we have your e-mail contact; write it on your tally form (in your cloth bag).
- 11. Didn't sell everything?** Many churches put unsold items on display after church in days and weeks following Heritage Day to continue benefiting Camp Bethel. THANK YOU for your creativity and commitment to Camp Bethel, and thanks for any extra help you can provide!
- 12. THANK YOU, THANK YOU, THANK YOU!** Your support and involvement in the life of Camp Bethel is amazing, vitally important and greatly appreciated. We thank you for the hundreds of volunteer hours represented by your Heritage Day booth! As we complete our 88<sup>th</sup> year at Camp Bethel:
  - **We rejoice for past and present blessings,**
  - **We give thanks to God for involving us with you in the ministries of this time and place,**
  - **We celebrate each of you, the devoted members of this District who give so generously,**
  - **And we look ahead with faith and awe to an exciting future at Camp Bethel.**

# FOOD SAFETY RECOMMENDATIONS FOR HERITAGE DAY

## 1. NEW General Information:

In late 2016, the VDH notified the camp office that our Heritage Day Festival is **exempt** from required permits! **"12VAC5-421-3560. Exemptions to Regulations:** *The following are exempt from this chapter as defined in §§ 35.1-25 and 35.1-26 of the Code of Virginia: Churches, fraternal, school and social organizations and volunteer fire departments and rescue squads which hold dinners and bazaars of not more than one time per week and not in excess of two days duration at which food prepared in homes of members or in the kitchen of the church or organization and is offered for sale to the public..."*

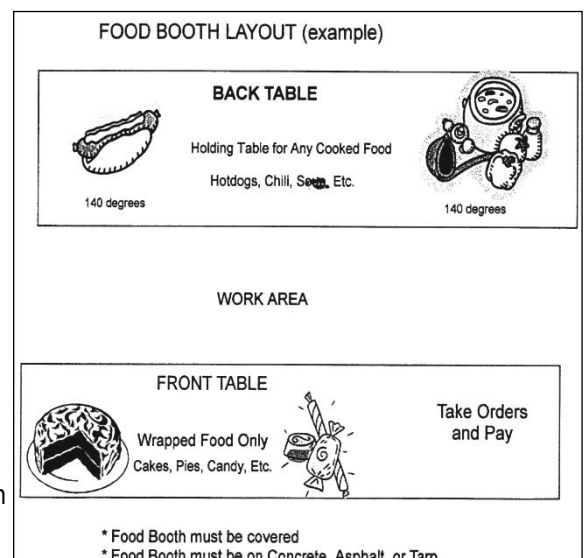

Even though we're exempt from permits, we must still prepare and serve food **safely**. This packet outlines for you the reasonable and practical steps to follow when selling and serving foods to the public.

## 2. Safety recommendations when preparing foods to sell:

- A. You can prepare **any and all foods at home**. Keep an ingredients list available for persons with dietary restrictions.
1. Home-baked goods (pies, cakes, candy, cookies): Baked goods should be wrapped as individual servings, bunched servings or "whole cake" servings. Label each individually wrapped baked item with name of food, date made, major ingredients (nuts, especially), and YOUR name and phone number.
  2. Home-canned preserves (jellies, jams, pickles, relishes, salsas, veggies): Must be sealed in clear, sterilized glass jars and labeled with name of food, date canned, major ingredients, YOUR name and phone number.
  3. Hot foods and meats: See B and C.
- B. Safety recommendations for HOT FOODS:
1. Cooked to a minimum of 165° F before serving.
  2. Held at 140° F (in crock pot, heating cabinet, thermal container, etc.).
  3. Cooking utensils (forks, spoons, knives, ladles) must be changed (or cleaned & sanitized) every 4 hours or less.
  4. Keep an ingredients list available in case persons have severe allergies or dietary restrictions
- C. Safety recommendations for Barbecue chicken, Grilled meats, or Grilled vegetables:
1. Cooking pits/grills should have overhead tarp or covering.
  2. After chicken is cooked to minimum 165° F it can be stored in coolers lined with foil for a 4 hour maximum.
  3. Recommend changing foil for each re-fill of chicken.
  4. Mark date and time on foil when cooler is filled.

## 3. Booth Set-Up recommendations for groups serving/selling hot foods or meats:

- A. Hand-washing station (niftily provided by Camp Bethel). You might share a station with a neighboring vendor.
- B. Liquid waste container for wash water & ice drainage (bucket provided by Camp); don't dump waste water on the ground.
- C. Overhead tarp over entire booth (cooking and serving area).
- D. Under booth must be concrete, asphalt or tarp ground cover.
- E. Trash cans close by for waste disposal (provided by Camp).
- F. Sanitizer kit (provided by Camp Bethel).
- G. Thermometer for food temperature (provided by Camp)
- H. Plastic gloves for handling & serving (provided by Camp)
- I. Plastic or washable table covering over all tables.
- J. Condiments in squeeze bottles or packets on back table.
- K. Hair restraint or cap for persons with long hair.
- L. Money collector does NOT handle food or utensils.
- M. Utensils for cooking and serving sanitized every 4 hours.
- N. Single serve paper or plastic plates, utensils for food, etc., stored on back table up off the ground.
- O. Food table in back is AWAY from public reach. Back table includes cooking (165°) and hold area for hot food (140°).
- P. Front table has wrapped food and payment/order area. See the "Food Booth Layout" sample diagram at right.
- Q. Apple Butter/Cider pot must have a lid OR a tarp overhead. This can be tricky with an open-kettle over a fire. Be cautious and supervise the kettle and fire at all times.

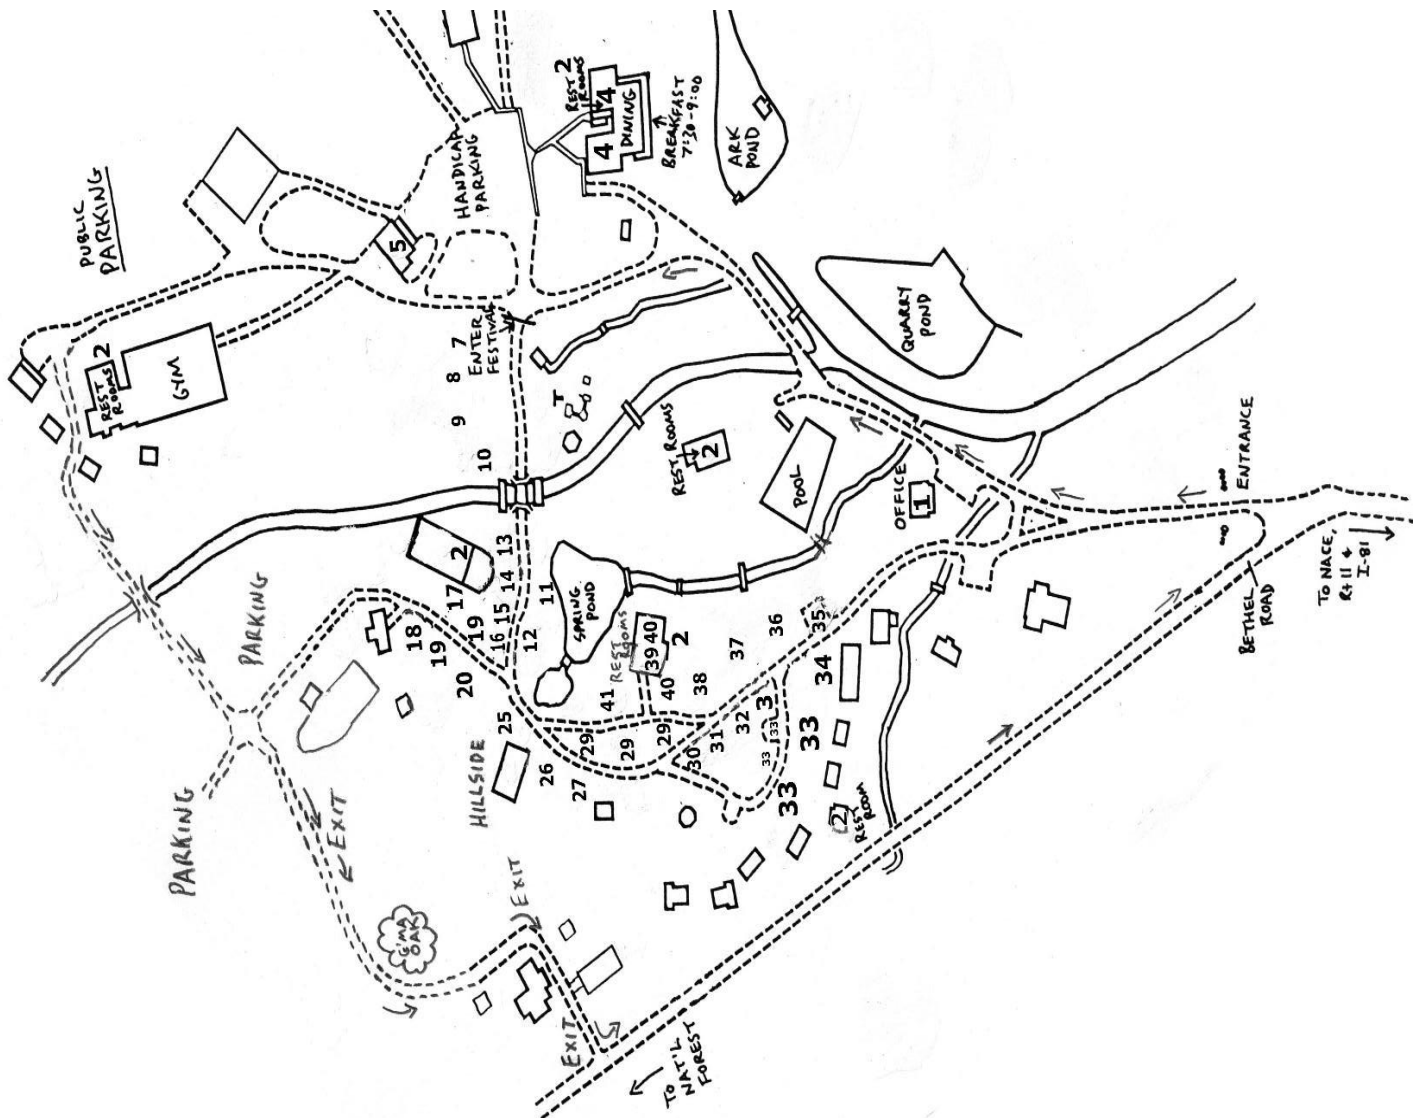

#### 4. Serving the Food:

- A. Wear plastic disposable gloves (provided by Camp).
- B. Condiments in squeeze dispensers or individual packets.
- C. Wear hair restraint or cap for long hair.
- D. All food served must be stored on tables at the back of the food booth. Wrapped food can be placed on front table.
- E. Change or sanitize serving utensils every 4 hours or less.
- F. All cooked or prepared food shall be served on or in single-service paper or plastic plates, bowls or utensils, including cups, containers, lids, closures, straws, napkins, etc.
- G. Cold Food to be held at 45° F or below.
- H. Frozen Food to be held at 0° F or below.
- I. Hot Food to be held at 140° or above.
- J. COLD DRINKS or cold food items kept on ice in a **cooler which drains the melted water out the bottom**. No served item or drink should be sitting in standing water, even ice cold standing water.

#### 5. General Safety Guidelines:

Handwashing Method	Method of Cleaning and Sanitizing Utensils	Restricted Public Access	Hot and Cold Holding Methods Example: Ice; Steam Table; Refrigerators; Coolers
<b>Soap &amp; water handwashing stations provided by Camp Bethel or interior sinks.</b>	<b>Wash, rinse &amp; sanitize w/ bleach-water solution.</b>	<b>Front &amp; back tables: back tables hold foods; front table for exchange; sneeze guard</b>	<b>ELECTRIC CROCK POTS W/ COVERS; coolers lined with aluminum foil for hot foods; coolers w/ ice &amp; drain for cold foods.</b>
