

SUMMER STAFF ADOPTION 2020

Prayer Support and Financial Support

Our Mission: *Relationships: Together with God, with each other, with creation.*

Camp Bethel is the outdoor ministry of the Virginia District Church of the Brethren that exists to foster and build relationships with God, with each other, and all creation. We live our mission through our summer camps, and facilities and services available to everyone. We welcome the participation of children and youth of all traditions, races, and nationalities. When we live together in intentional Christian community, even for only one week, we gain person-to-person relationship skills to benefit the world.

Staff Adoption helps us fulfill our Mission!

Why Adopt? *Adoption helps these young adults accept God's call.*

We strive to recruit the best and brightest young adults for Summer Camp ministry service. It is a tough ask: they commit eight-to-ten weeks of intense daily leadership to care for and guide our children and youth. We pay them, but not as much as we wish we could and not as much as they need to afford college and textbooks. *Some young adults want to serve, but cannot afford to serve.* As a non-profit camp, we keep camper fees as low as possible, charging only about 87% of the actual cost per camper. **Staff Adoption helps these young adults accept the call to serve in Outdoor Ministry!**

How Does Adoption Work? *Meeting, eating, praying, and \$600.*

We group six of our Summer Staff members into one of eleven Prayer Groups. Congregations, Sunday School classes, businesses, kindred groups, families, and individuals can adopt one or more Prayer Groups. On Sunday, May 31, your adopted Prayer Group will worship at your home congregation to introduce themselves and share an update about our Summer Camp programs. We invite you to our Staff Commissioning Dinner at Camp Bethel on Friday, June 5 at 5:30. Throughout the summer, you regularly uplift the Prayer Group with prayers, letters of encouragement, and possibly care packages. You also raise \$600 (or more) per Prayer Group for a Summer Staff Scholarship Fund divided equally among all Summer Staff members as an end-of-summer bonus. **Staff Adoption helps them afford to serve in Ministry!**
