## 2022 Backpacking Trip 5 Confirmation Packet

Dear Camper and Parent,

Thank you for registering for our Backpacking Adventure Trip! Your spot is confirmed, and we are excited to see you!

We are excited for the SAFE and FUN return to camp using our "Small Group Unit" model. There were ZERO reported cases of COVID-19 at Camp Bethel in 2021, and we expect our adaptations and protocols to work again in 2022. If your camper is up-to-date on their COVID vaccine, we ask you to submit an image/proof of their COVID vaccine card. If your camper is NOT vaccinated or up-to-date, we ask you to either submit an image/proof of a negative test taken within 3 days of camp arrival OR to complete the enclosed 7-Day Screening Form (page 10). See "Healthy and Ready for Camp" on page 3 of this packet for details.

Arrive **no earlier than 3:45pm and no later than 4:00pm Sunday**. Check-in will be "drive-through" style in the grass Deer Field. Have your completed forms and medication (if any) ready. See the detailed "Check-in Procedures" on page 5 for instructions. After the drive-through check-in, park and carry gear into the Gym Meeting Room, meet the trip leaders, and stay for a brief gear check and trail orientation. Dinner will be served to campers at 5:45pm on Sunday.

Pick-up is 6:30pm Friday. **Arrive at Camp Bethel no earlier than 6:15pm and no later than 6:30pm** and park in the grass Deer Field beside the Gym. It is important not to block any roads or sidewalks. After parking, **please walk** to pick-up your camper at 6:30pm outside the Gym. See the enclosed "Pick-Up Procedures" on page 5 for instructions. Unfortunately for 2022, there will be no family dinner with singing and celebration. Your camper WILL have eaten Friday dinner with their Unit prior to pick-up. After gathering your camper and luggage, drive or walk back to our Trading Post (camp store) from 6:30-7:15pm on Friday, and we ask unvaccinated parents to wear a facemask inside.

This packet includes important "**Preparations for Your Time at Camp**" with your packing list, "the 7 Camp Rules," information about your camp week, behavioral expectations, health and safety preparations, forms, and detailed check-in procedures. *Write your name on or label every item you bring to camp.* Please consider donating toward our Wish List (page 2) and our Summer Offering Project (page 5). Carefully read all the enclosed information.

Along with this packet, we sent you a document with your camper's name and program in the title. That document is your "**Final Payment and Forms Due for Camp Bethel**" which lists your balance due (if any) and any forms and waivers due. **Return forms and payments to Camp Bethel as early as possible before your camp begins and no later than 7 days before your camp begins, including:** (1) Your completed "Camper Health & Information Form" and "Medication Instructions Form." (2) Waivers if you require any. (3) Your fee balance is due ASAP and at least 7 days prior to your camp date or you will forfeit your reserved spot.

Our trip will satisfy your adventure appetite! The hike will be very physically demanding, yet still suitable for those new to backpacking. We will hike a section the A.T. which includes some of the best of the entire A.T. in Virginia. It is important that you keep your total pack weight below 20% of your body weight! In addition you your own gear, you'll be helping carry lots of food and group gear. It's best for you to secure your own backpack sized for you. If you need to borrow one of our old loaner packs, call/e-mail our office ASAP and provide your height and weight for appropriate pack fit. We will have many daily challenging moments or difficult moments (lots of uphill hiking!). There will be days on the trail that will be very physically demanding; but the good news is that for every step up there is eventually a step down. Try to walk about 3-5+ miles daily for several days with a heavy pack as good preparation for our actual trip. Our daily mileage will range from 8-15 miles with heavy packs. We highly recommend bringing/using trekking poles.

In case of extreme emergency during the camp week, contact Kathleen Nettin, Program Coordinator, or Barry LeNoir, Camp Director, at 540-992-2940. After-hours, our answering machine message will prompt you to our on-call emergency staff number. Subscribe to our eNews at [CampBethelVirginia.org/subscribe](http://CampBethelVirginia.org/subscribe) for announcements and "*all things Camp Bethel.*" Please encourage your friends and classmates to register for summer camp at Camp Bethel in Fincastle, VA! If you have questions, contact us at 540-992-2940 or [CampBethelOffice@gmail.com](mailto:CampBethelOffice@gmail.com).

We look forward to seeing you at camp!

Together, in Christ our hope,

*Barry, Daniel, Kathleen, Mickey, and the Summer Staff of Camp Bethel*

## #2: Hygiene Rules to Teach Your Camper:

1. Tell your counselor if you feel sick.
2. Cough and sneeze into your elbow or your mask or a tissue, and then throw the tissue away and wash your hands.
3. Wash your hands with soap and water after bathrooms, coughing and sneezing, or touching your face, or use hand sanitizer.
4. Wear a face mask if your counselor asks to you to do so.
5. Trail hygiene is challenging. Be clean and smart!

## #3: Camp Rules and Policies:

### The 7 Camp Rules to teach your camper:

1. Be kind and be helpful.
2. Stay with your Unit.
3. Obey your Counselors.
4. No rough play.
5. Wear shoes always (except bed, shower, pool).
6. Do not throw or kick anything.
7. Walk on paths, pavement, or gravel.
8. Follow "Leave No Trace" guidelines.

**Good Behavior Requirement:**

By requesting enrollment into Camp Bethel programs, you and your camper agree to our Behavior Policy and understand that good behavior is required. Your camper will be with other children/youth and their counselors all day each day. We stay together with our group during our entire time at camp. For 2022, campers and staff will wear facemasks occasionally each day at appropriate times (when near other Units, which will be rare, and not when eating, sleeping, swimming, etc.). **Bad behavior does not fit and cannot be tolerated.** Behavior deemed dangerous, inappropriate, intolerable, detrimental to the group, or unmanageable by the counselors or directors is grounds for dismissal from camp. Examples include: not following the camp rules; hurting others (verbally, physically, or emotionally); possession of prohibited or harmful item; constant misbehavior; unsafe behavior; straying from your group; etc. The Director will call parents/guardians as needed. Should it become necessary for your child to return home because of unmanageable behavior, homesickness or other reason, you agree to accept the Director's decision and arrange for transportation.

**Healthy and Ready for Camp: COVID Vaccine, Screening, Testing**

We strongly recommend all eligible children and adults to be up-to-date with your vaccine against COVID-19 prior to your camp week.

**"Up-to-date"** means the following:

Ages 5-11 = primary 2 doses of Pfizer-BioNTech. A booster is not recommended for this age group yet.

Ages 12-17 = primary 2 doses of Pfizer-BioNTech, plus 1 booster of Pfizer-BioNTech 5+ months after primary doses.

Ages 18+ = primary 2 Pfizer-BioNTech or 2 Moderna or 1 J&J, plus 1 booster of Pfizer-BioNTech or Moderna 5+ months after primary.

We *do not require* vaccination, but participants who are not up-to-date with their vaccination may be asked wear masks occasionally at appropriate times. Find your free and convenient vaccination at <https://vaccinate.virginia.gov/> or 877-829-4682. Upload a scan, copy or image of your camper's up-to-date Vaccination Record Card at our upload form at [www.CampBethelVirginia.org/health](http://www.CampBethelVirginia.org/health), or you can email it as an attachment to [CampBethelOffice@gmail.com](mailto:CampBethelOffice@gmail.com), or you can bring printed copies to check-in on the first day of camp.

*Campers who are up-to-date (see "Up-to-date" box above) on their COVID vaccine:*

1. Before arriving at Camp, parents must submit an image/proof of child's up-to-date COVID vaccine card.
2. Upon arrival at Camp, we will perform a brief Health Screening and temperature check through the car window. Be sure to keep your car cool (not too hot) prior to check-in, and have child seated beside a car window.
3. With proof of up-to-date vaccine and a clean Health Screening, no other steps are needed for child to be admitted to camp.
4. If Health Screening reveals symptoms of COVID, we will perform a rapid test (15 minutes) with a parent present. If test is negative (no COVID), child will be re-screened, and staff will discuss with parents whether child should attend camp. If test is positive (child has COVID), the child cannot be admitted to camp, and staff will discuss with parents options for attending camp later in the summer once child is healthy.

*Campers who are unvaccinated or not up-to-date (see "Up-to-date" box above) on their COVID vaccine:*

1. Before arriving at Camp, parents complete one of the following: (1) A 7-Day Screening Form, OR (2) submit a copy/image/proof of child's negative COVID test administered within 3 days prior to camp (this can be a home rapid test or a PRC test from a lab/clinic/pharmacy). Turn in your completed 7-Day screening form at check-in on the first day of camp. OR you can upload scans or images of proof of your negative COVID test at our upload form at [CampBethelVirginia.org/health](http://CampBethelVirginia.org/health), or you can email them as an attachment to [CampBethelOffice@gmail.com](mailto:CampBethelOffice@gmail.com), or you can bring printed copies to check-in on the first day of camp.
2. Upon arrival at Camp, we will perform a brief Health Screening and temperature check through the car window. Be sure to keep your car cool (not too hot) prior to check-in, and have child seated beside a car window.
3. With a clean Health Screening, no other steps are needed for child to be admitted to camp.
4. If the Health Screening reveals symptoms of COVID, we will perform a rapid test (15 minutes) with a parent present. If test is negative (no COVID), child will be re-screened, and staff will discuss with parents whether child should attend camp. If test is positive (child has COVID), the child cannot be admitted to camp, and staff will give parents options for attending camp later in the summer once child is healthy.
5. If no 7-Day Screening form or copy/image/proof of child's negative COVID test within 3 days, the child will be tested for COVID in addition to the Health Screening upon arrival.
6. Staff who are unvaccinated or not up-to-date on their COVID vaccine will be tested for COVID weekly by staff leaders.

Teach your camper the "Hygiene Rules" on page 2. You should NOT send an injured or sick camper to camp. Also ensure that your camper is free of headlice. If any camper or minor has symptoms of COVID during the camp week, we will contact Parent/Guardian to discuss on-site testing options. Our Health Plan and links to vaccination and testing sites is at [CampBethelVirginia.org/health](http://CampBethelVirginia.org/health).

**Camper Medications:**

If you send medication for your camper to take during the camp week, YOU MUST RECORD precise instructions on the enclosed "**Medication Instructions**" form. All medications must be given to our Medical Staff at Check-In on the first day of camp. All medications are stored and dispensed by the Health Coordinator unless special arrangements are made through the Health Coordinator and Camp Director. Send exactly enough medication for the camper's time at camp. **Medication MUST be in the original, labeled packaging and container naming prescribing physician, camper name, medication name, dosage, and frequency.** Place all this into a gallon zip-lock bag (or a box if more space is needed) with camper's name on it to speed the check-in process.

**Cancellations, Late Arrivals, Early Departure: 2022 No-Risk Policy:**

If you paid for camp but later decide to keep your child home, YOU HAVE RISK-FREE OPTIONS:

1. Credit 100% of your payments toward another available 2022 program, or
2. Credit 100% of your 2022 payments to 2023 pre-registration, or
3. Donate part or all to help Camp Bethel adapt how we operate (and help ensure we're here for you in 2023), or
4. 100% refund. **We just need to hear from you at least 24 hours prior to the start of your camp**, and sooner if possible. No refunds for no-shows with no notification at least 24 hours prior to the start of your camp. Please notify the camp office 540-992-2940 or [CampBethelOffice@gmail.com](mailto:CampBethelOffice@gmail.com) ASAP if your camper will not attend this session.

Late arrival and early departure is discouraged, but allowed if needed. However, because staff, food, and supplies are already secured, we cannot provide pro-rated refunds for partial camp attendance after your camper has arrived unless Camp Bethel cancels the program. If complete payment of the camp fee (or Campership approval or Good-As-Gold form) is not received 7 days prior to your camp date you will forfeit your reserved spot.

**Caring for Campers:**

We take the safety and care of your children (our campers) very seriously. Allowing us to care for your child is perhaps the greatest act of trust a parent can engage in. That makes Camp Bethel not just a fun place, but also a *sacred one*. We do everything we can to honor your trust,

including our voluntary adherence to over 300 standards of health, safety, staffing, and programming. We know we cannot do this without our excellent counselors who, by joining our summer staff community, are trained and committed to providing a safe and fun week of learning and growth. Consider supporting our counselors at [www.CampBethelVirginia.org/adopt](http://www.CampBethelVirginia.org/adopt). If a camper is sad or if there is an issue, illness, injury, or emergency the Director WILL contact parents.

#### **No Camper Cell Phones or Gadgets: A matter of TRUST:**

Aside from the fact that phones and gadgets are expensive, can get lost, and the physical camp environment is rough for such items, the main reason we don't allow campers to have phones/gadgets is TRUST. We TRUST that campers who come to camp WANT to be here and choose to temporarily disconnect from their constant phone/internet communications in order to be FULLY present with us at camp. When children/youth come to camp they (and you) are making a leap of faith, temporarily transferring their primary TRUST from their parents to their counselors. This is a growth-producing, yet challenging aspect of camp. As children/youth learn to TRUST other caring adults, they grow and learn, little by little, to solve some of their own challenges. *This emerging independence is one of the greatest benefits of camp!* (AND, there's ample research proving that youth greatly improve their social and emotional growth while phone-free!) Let your child/youth know that they can always reach out to their counselor and camp leaders. The Camp Director WILL contact you if your child/youth is experiencing a challenge while at camp, and the Camp Director WILL contact families in case of any emergency. Counselors do carry charged phones (*charged, but OFF*) in their backpacks as tools for emergency use if needed. We encourage bringing an inexpensive digital camera to camp, but you may NOT bring a "connected/serviced" phone to use as your camera. Thanks, and also read #11 "Communicating With Your Camper."

#### **Emergency Preparedness and Parent Notification During the Camp Week:**

Using smart phones, our directors and staff receive and communicate instant updates on summer storms or emergencies, and your trip leaders are trained for camper safety during storms and emergencies. In case of any emergency in which we request parent action, our office will contact you via e-mail and phone. Add [CampBethelOffice@gmail.com](mailto:CampBethelOffice@gmail.com) to your contacts so our emails come to your IN box. Otherwise, **NO NEWS IS GOOD NEWS**, and everyone is safe. In case of a family emergency that must be communicated to your camper, contact 540-992-2940 or e-mail [CampBethelOffice@gmail.com](mailto:CampBethelOffice@gmail.com). For after-hours emergency call 540-992-2940 and our answering machine message will prompt you to our on-call staff number.

#### **Visitation is NOT allowed during camp week:**

DO NOT arrive at camp unexpectedly! Our site is closed to visitors/guests during camper weeks. While supervising campers, all staff are trained to stop and question anyone they don't recognize on site. If you need to visit camp prior to the official pick-up time (see "Pick-Up Procedures"), you must call ahead AND check in and wait at the camp office when you arrive.

### **#4: Preparing for camp living away from home:**

Your trip leaders are trained to help guide your group safely and successfully through each trail day. Also, good parent preparation can give campers the knowledge they need to fully succeed during their camp week.

#### **Physical expectations of living on the Trail:**

1. There are no showers on the trail, so we'll learn to sponge bathe with water and our washcloths/wipes. Along the trail, most shelters have a privy nearby. Otherwise, we'll learn the Leave-No-Trace way to "squat" in the woods. Plan ahead.
2. Living in a tent or in the trail shelters with 2-6 other persons might challenge our need for individual privacy. Counselors will help, but think of ways you can prepare and adapt to this kind of week.
3. Obviously, we walk everywhere, and we're on-the-go most of each day. Comfortable hiking shoes/boots & socks are very important. Take good care of your feet, and prepare for a highly active week.
4. On hot summer days it's important to drink lots of water. Pack 2 water bottles: quart-sized, non-glass, screw-top (available at check-in for \$15 each), and remember to hydrate often. We'll pump & filter to re-supply our water bottles at springs and all stream crossings.
5. Camper should prepare for a very active week. There will be many daily (uphill) moments on the trail that will be very physically demanding. Try to walk 3-5 miles daily with a heavy pack in preparation. Our daily mileage will range from 8-15 miles with heavy packs. We highly recommend use of trekking poles.

#### **Social/Behavioral/Spiritual expectations:**

1. Group living: Every day, all day together, traveling and living as a family unit, including completion of all meal and camping tasks.
2. Even if coming with a friend, you are expected to be friendly, courteous and helpful to others in the group. Actually, you HAVE to be! This trip is co-ed. You should expect to share your group with youth of different backgrounds, gifts and abilities. We believe Jesus' message of life, hope, love and unconditional acceptance, and at camp, "Love your neighbor" is part of daily living.
3. Learning and following the Camp & Trail Rules (on page 2) is essential to a safe and fun week.
4. Try new things: The trail is a great place to taste different foods, sing different songs, try and practice new skills, and grow in our relationships with God, with each other, and with Creation.

### **#5: Preventing homesickness:**

Good parent preparation is essential to give campers the confidence needed to fully enjoy a camp experience:

Good parent preparation is essential to give campers the confidence needed to fully enjoy a camp experience:

1. Set realistic trip expectations based on our information and the activities listed in the brochure. Help your camper prepare physically for this active adventure trip! Reinforce positive camp aspects; encourage new learning.
2. In the months before camp, practice overnight sleep-overs with friends and relatives.
3. Don't force a child to camp who has no desire to go. Only send a willing & ready child to back-to-back camps.
4. Don't tell campers how much you will miss them. Instead encourage new friends and new experiences.
5. Don't tell campers they can call home. Instead, encourage your camper to talk to their counselor if they are sad. If a camper is sad or if there is an issue, injury, illness or emergency the Director WILL contact parents. However, for our trip, homesickness is not an option and there is no turning back!

Our counselors are thoroughly trained in methods to prevent homesickness, and the nature of an adventure trip keeps campers active and engaged in camp activities and interpersonal relationships. If, however, your child becomes homesick:

1. All staff will do everything possible to address the cause and to encourage the camper.
2. If symptoms persist, the trip leaders will contact the Director.
3. The Director will call home to discuss options with you.
4. If all determine the best option is to pick up your child, because we are far away from camp, our only option is to recommend YOU travel to get

your child. This may or may not be feasible until one or two days later. There are no refunds for campers who leave early, because staff, food and gear are already secured.

- Once we leave camp, the camper obviously will not be brought back home unless in extreme emergency. Be sure your camper wants to attend before they come. This will be a GREAT trip!

#### #6: Trading Post camp store open Friday 6:30-7:15pm:

Parents can shop with campers from 6:30-7:15pm in the Trading Post on Friday after you pick up your camper. **Unvaccinated persons should wear a facemask when indoors.** Camp Bethel t-shirts cost \$10, \$12, \$15; bottles \$15; sweatshirts & blankets \$30-\$40; and other items range from \$2 to \$40. Earnings directly support the programs of Camp Bethel.

#### #7: Summer Offering 2022: "Tip" Your Counselors with our Summer Staff Adoption Fund

We LOVE our Counselors, and we strive to recruit the *best leaders* for Summer Staff ministry service. *It is a tough ask.* They commit eight-to-ten weeks of intense training and 24/7 leadership to care for your campers. We pay them, but not as much as we wish we could and not as much as they need to afford college and textbooks. Some young adults want to serve, *but cannot afford to serve.* Families often ask, "Can we tip our counselors?" YES, by donating toward our Summer Staff Adoption Fund to help these young adults accept the call to serve in Outdoor Ministry!

Donations toward our Summer Staff Adoption Fund are divided equally among all summer staff upon completion of their summer contract, and your gift is paired with congregations, groups, families, and individuals who are "adopting" our staff with additional funding, prayer support, letters of encouragement, care packages, and church visits.

Please donate toward our Summer Staff Adoption Fund online at [CampBethelVirginia.org/adopt](http://CampBethelVirginia.org/adopt) or mail check payable to "Camp Bethel Summer Offering". 100% of your gift goes directly to this fund.

#### #8: Driving directions to Camp Bethel: Physical address is 328 Bethel Road, Fincastle VA 24090.

- I-81** to Exit 156: At end of exit ramp turn towards Brughs Mill Store onto Route 640, Brughs Mill Road, and go 0.2 mile to stop sign at Route 11. Green "Camp Bethel" signs point you in from here.
- Turn left (North) onto Route 11; go approximately 2 miles.
- Mill Creek Baptist Church on left; just across from the church turn right (southeast) onto Route 606, Blue Ridge Turnpike.
- Go 1.6 miles on Blue Ridge Turnpike to stop sign at T-intersection.
- Turn right onto Nace Road (Route 640) and go less than 1/10<sup>th</sup> mile to left onto bridge at Bethel Road (606), a gravel road.
- Drive under railroad trestle. Camp Bethel entrance is 0.3 mile straight ahead along Bethel Road on the right. Follow signs to Check-In.

#### #9: Sunday Check-In Procedures:

- Sunday drive-through check-in is in the grass Deer Field (beside the Gym) and is designed to minimize your camper's and our staff's exposure to other households up until the camper joins their Unit. We ask unvaccinated parents to please wear a facemask indoors.
- Before you arrive at camp, write your name on or label every item you bring to camp AND your luggage. PLEASE pack lightly enough so that the camper can easily carry all gear by herself/himself, (remember: less than 20% of body weight!).
- Arrive no earlier than 3:45pm and no later than 4:00pm. The drive-through check-in opens for Adventure Campers at **3:45pm Sunday** in the grass Deer Field beside the Gym. No Trading Post Sunday, but it WILL be open Friday (see "Pick-Up Procedures")
- Follow directions into the grass Deer Field and pull up to the shortest check-in line.
- Through the window of your car, give the following to our staff: (1) Your completed "7-Day Screening Form" (if choosing this option); (2) Any waivers or forms or proof (test, vaccine) you did not yet email or upload; (3) Any donation to our Summer Offering Project.
- We will also perform a brief Health Screening and temperature check through the car window, so make sure you keep your car cool (not too hot) prior to check-in, and that the camper is seated beside a car window.
- Give any medication and any Health Form updates to our Medical Staff. All medication should be in its prescribed or original containers. Place all medication into a gallon zip-lock bag (or box if you need more space) with camper's name on it to speed along the check-in process. See #2 "...policies: Camper Medications"
- Our staff will then give you a packet and site map with highlighted directions to where to meet your Unit and Counselors. Drive your camper and luggage to that spot, park and unload gear without blocking roads or sidewalks. Tell the counselor any information they should know (in addition to the information you included on your Camper Information and Health Form). Parents may help load luggage onto the Adventure Wagon. We ask unvaccinated parents to please wear a facemask indoors.
- Be quick to leave! Say your goodbye and allow your camper to begin an excellent week with their counselors and new friends.
- Parents: Drive slowly as you leave, watch for pedestrians, and follow exit signs out of camp. See you Friday!

#### #10: Friday Camper Pick-Up Procedures:

- Friday pick-up is "park, walk to, and wait outside the Gym" style, and we must still minimize your camper's and our staff's exposure to persons from other households. *Unvaccinated persons should wear a facemask when indoors.*
- Unfortunately (*for 2022 only*), there will be no family dinner with singing and celebration. Your camper WILL have eaten Friday dinner prior to pick-up, and the Trading Post WILL be open from 6:30-7:15 for parents and campers to shop together.
- Pick-up time is at exactly 6:30pm Friday; arrive no earlier than 6:15 and no later than 6:30pm.
- Park in one of these areas: the grass Deer Field, the paved Ark Parking Lot, the grass "Volleyball Field" below the Ark Parking Lot, or the grassy Heifer Shed area behind the Gym/behind the Craft House.
- After parking, please walk to pick-up your camper and their luggage at 6:30pm at the Gym.
- To "claim" your child at 6:30pm, present your PHOTO ID or DRIVER'S LICENSE to your child's counselor. Only adults listed as authorized may pick-up the camper AND only with a valid photo ID or driver's license.
- If you brought medication, your camper's medication containers will be stored in your camper's luggage along with a copy of their completed/initialled dosage form. Please ensure that your camper's medication and dosage form is in their luggage.
- Your counselors will double check to ensure all your camper's belongings are in your possession before you leave.
- After 6:30pm dismissal, the Trading Post (camp store) will be open from 6:30-7:15pm. *Unvaccinated persons should wear a facemask when indoors.* At the Trading Post from 6:30-7:15, lock in this year's rate for next year's camp (and immediately get a **free tee shirt!**) by taking advantage of our "Closing Day Pre-Registration Form." It's a great way to reserve your spot for next year and save \$10-\$40. More information is at [www.CampBethelVirginia.org/parentinfo](http://www.CampBethelVirginia.org/parentinfo).

10. Parents: Drive slowly as you leave, 5 mph; watch for pedestrians; follow exit signs out of camp.

### #11: Communicating with your camper during the camp week:

Only emergency communications will be available with the Trip group. Trip leaders will carry cell phones for emergency use only. If you have an emergency that must be communicated to your camper, call the camp office at 540-992-2940. Upon returning to Camp Bethel Friday afternoon, campers WILL receive any Bunk Notes and mail sent to them during the camp week:

#### #12: Safety in the van for any Adventure outing: (If applicable for your camp.) Campers receive a full safety orientation.

Vehicles used for transporting campers are equipped with a first aid kit and emergency accessories, seatbelts for each passenger, and we check vehicle safety conditions prior to transport. Counselors will carry health forms for all passengers and a cell phone for emergency communication. We will usually travel with windows open for ventilation. On hot days, we'll run the air-conditioning and wear masks.

The Directors of Camp Bethel have selected our Adventure outfitters (those providing equipment, leadership and expertise) and off-site projects based upon their qualifications and their adherence to safety standards as outlined by the American Camp Association.
