Powerful People of Virlina District,

I wanted to send a note of support for Camp Bethel's Counselor Adoption Program this summer. This is a valuable program from a congregational standpoint. We at Brick have likely not been as engaged in recent years with the ministry of Camp; however, as a result of this program, we have experienced a renewed interest and passion for this valuable ministry. The three counselors we were blessed to adopt, Lauren Naff, Zack Silver, and Reid Donihie became like family to us over the summer. They came to worship with us at the beginning of the summer, sent us pictures on several occasions, and even sent a "thank-you" video for goodies that were sent. Zack and Lauren came to worship this past Sunday and Zack shared his testimony which was very inspirational and meaningful.

Please don't take this next part as bragging, as that is not the point. I believe in large part to the Adoption Program, Brick wanted to provide a pizza supper for the staff during training, they wanted to make tree cookies, they wanted to purchase items from the "wish list", and they wanted to do a benefit concert for Camp which has raised over \$2,200 so far. I share this because the program lit a fire under us and I hope Camp has benefited from this as much as we have.

I just wanted you to know how much this program meant to us and to say thanks to whoever came up with this idea. I hope other churches were equally blessed and that the program will continue in years to come. Way to go Camp Bethel!!!

God Loves You,
Greg Broyles
