## Camp Bethel and COVID-19, July 2020, Virginia Phase 3

**Camp Bethel is OPEN for facility rental and campsites, but 2020 summer camps are suspended.**

In Virginia's Phase 3, overnight summer camps must remain closed. In accordance with Virginia's Phase 3 guidelines, facilities and campsites are available by reservation. Cyclists, hikers, walkers, picnics, creek explorers, and day-visitors are welcome except when the campus is reserved; hiking and mountain biking trail maps are on our office porch. Visit [www.CampBethelVirginia.org/groups](http://www.CampBethelVirginia.org/groups) for special Summer 2020 discounted facility prices available through August 31. Email [CampBethelOffice@gmail.com](mailto:CampBethelOffice@gmail.com) to inquire about availability. **Note: Our Pool is closed for 2020**, but we have created a nice wading "hole" in the creek near the front entrance.

**We need your support, your advocacy, and your gifts:**

- Subscribe to our occasional eNews, [www.CampBethelVirginia.org/subscribe](http://www.CampBethelVirginia.org/subscribe)
- Keep up with new content and family programs, [www.CampBethelVirginia.org/CampAtHome](http://www.CampBethelVirginia.org/CampAtHome)
- Please consider a donation. *We need it!* [www.CampBethelVirginia.org/donate](http://www.CampBethelVirginia.org/donate)
- *We're so grateful for you. THANK YOU for your continued support for Camp Bethel!*

**Camp Bethel facilities are available according to the following guidelines:**

1. Please designate a Health Coordinator to implement COVID-19 safety guidelines for your group/family.
2. No one with a fever or symptoms of COVID-19 or known exposure to a COVID-19 case in the last 14 days, is permitted on site at Camp Bethel.
3. Bring and use lots of hand sanitizer and disinfectant wipes in and around your reserved facility or campsite to clean and disinfect high contact areas and hard surfaces, including door knobs/handles, dining tables/chairs, light switches, handrails, restrooms, floors, furniture, appliances, and equipment.
4. Continue to practice physical distancing with other people. Recommended safe distance is 6 feet or more.
5. We strongly encourage EVERYONE to wear face coverings when anywhere near other people and when indoors with others. If you are the group organizer or Health Coordinator, bring extra masks to give away.
6. Tents and RVs from differing households should maintain 10+ feet between units when possible.
7. Only select bathhouses, shelters, and pavilions are available. *See re-opening schedule below.*
8. No physical sharing of recreation equipment unless it is cleaned and disinfected.
9. Only registered guests are permitted on site overnight. Day hikers, walkers, and cyclists are permitted on site during daylight hours with designated parking. Do NOT enter facilities you have not reserved.
10. No gatherings of greater than 250 people in one location or 50% facility-occupancy, whichever is less, and practice physical distancing with others. (*Ex: Shelter-by-the-Spring holds 150 persons x 0.5 = 75 persons*)
11. Wash hands frequently inside your facility or at your campsite.
12. Note: Persons from the same household may not need physical distance or facemasks when together.

**Stop the spread of COVID-19:**

- ✓ Stay at least 6 feet apart (2 arms' length) from other people.
- ✓ Cover your cough or sneeze with a tissue, then throw the tissue in the trash and wash your hands.
- ✓ Wear a cloth face mask covering your nose and mouth when near other people.
- ✓ Do not touch your eyes, nose, and mouth, and avoid touching your face.
- ✓ Clean and disinfect frequently touched objects and surfaces.
- ✓ Stay home when you are sick, except to get medical care.
- ✓ Wash your hands often with soap and water for at least 20 seconds.
