#2: Camp rules and policies:

The 7 Camp Rules to teach your camper:

1. Be kind and be helpful.
2. Stay with your Unit.
3. Obey your counselors.
4. No rough play.
5. Wear shoes always (except bed, shower, pool).
6. Do not throw or kick anything.
7. Walk on paths, pavement or gravel.

Good Behavior Requirement:

By requesting enrollment into Camp Bethel programs, you and your camper agree to our Behavior Policy and understand that good behavior is required. Your camper will be with other children/youth and their counselors all day each day. We stay together with our group during our entire time at camp. Bad behavior does not fit and cannot be tolerated. Behavior deemed dangerous, inappropriate, intolerable, detrimental to the group, or unmanageable by the counselors or directors is grounds for dismissal from camp. Examples include: not following the camp rules; hurting others (verbally, physically, or emotionally); possession of prohibited or harmful item; constant misbehavior; unsafe behavior; straying from your group; etc. The Director will call parents/guardians as needed. Should it become necessary for your child to return home because of unmanageable behavior, homesickness or other reason, you agree to accept the Director's decision and arrange for transportation.

No Camper Cell Phones or Gadgets: A matter of TRUST:

Aside from the fact that phones and gadgets are expensive, can get lost, and the physical camp environment is rough for such items, the main reason we don't allow campers to have phones/gadgets is TRUST. We TRUST that campers who come to camp WANT to be here, and choose to temporarily disconnect from their constant phone/internet communications in order to be FULLY present with us at camp. When children/youth come to camp they (and you) are making a leap of faith, temporarily transferring their primary TRUST from their parents to their counselors. This is a growth-producing, yet challenging aspect of camp. As

children/youth learn to TRUST other caring adults, they grow and learn, little by little, to solve some of their own challenges. *This emerging independence is one of the greatest benefits of camp!* Let your child/youth know that they can always reach out to their counselor and camp leaders. The Camp Director WILL contact you if your child/youth is experiencing a challenge while at camp, and the Camp Director WILL contact families in case of any emergency. Counselors do carry charged phones (*charged, but OFF*) in their backpacks as tools for emergency use if needed. We encourage bringing an inexpensive digital camera to camp, but you may NOT bring a "connected/serviced" phone to use as your camera. Thanks, and also read #5 "Trading Post" about Camp Photos.

Healthy and Ready for Camp:

We have a long record of no major health issues at camp: *Let's keep it that way!* Upon arrival and check-in at camp, we will ask the parent/guardian a few Health Screening questions, including, *"In the past 7 days: Has your child had a fever of 100 or greater, felt achy or fatigued, had a cough or sore throat, or any injuries or wounds?"* Ensure that your camper is free of headlice. Submit your Camper Health and Information Form (enclosed) no later than 14 days before your camp begins.

Camper Medications:

If you send any medication for your camper to take during her/his time at camp, YOU MUST RECORD precise instructions on the enclosed "**Camp Bethel Medication Instructions**" form. All camper medications must be checked in to our Health Coordinator upon your arrival daily at check-in. All medications are stored and dispensed by the Camp Health Coordinator unless special arrangements are made through the Health Coordinator and Camp Director. We suggest that you only send a one-day supply each day. **Medications MUST be in the original, labeled container with camper name, medication name & strength, and dosage instructions.** Place all this into a gallon zip-lock bag with camper's name on it to speed the registration process.

Cancellations, Late Arrivals, Early Departure, Refunds:

Please notify the camp office 540-992-2940 or CampBethelOffice@gmail.com in advance if your camper will not attend any day or the entire session. Late arrival and early departure is discouraged, but allowed in case of illness, family emergency or conditions beyond control, so please contact the camp office (540-992-2940) if you will be late to morning check-in or afternoon pick-up. This program is FREE, but the cost to Camp Bethel is \$38 per day per child, to which I am invited to give a donation. Donations I make to Camp Bethel are non-refundable unless Camp Bethel cancels the camp program, and then only if I have donated by check, Money Order or PayPal.

Caring for Campers:

We take the safety and care of your children (our campers) very seriously. Allowing us to care for your child is perhaps the greatest act of trust a parent can engage in. That makes Camp Bethel not just a fun place, but also a sacred one. We do everything we can to honor your trust, including our voluntary adherence to over 300 standards of health, safety and programming. We know we cannot do this without our excellent counselors who, by joining our summer staff community, are trained and committed to providing a safe and fun week of learning and growth. If a camper is sad or if there is an issue, illness, injury, or emergency the Director WILL contact parents.

Emergency Preparedness and Parent Notification During the Camp Week:

Using smart phones, our directors and staff receive instant updates on summer storms or emergencies, and your counselors are trained for camper safety during storms and emergencies. In the case of any emergency in which we request parent action, our office will contact you via e-mail and phone. Add CampBethelOffice@gmail.com to your contacts so our emails come to your IN box. Otherwise, *NO NEWS IS GOOD NEWS*, and the camp community is safe. In case of family emergency that must be communicated to your camper, contact Jenna Stacy or Barry LeNoir at 540-992-2940 or e-mail CampBethelOffice@gmail.com. For after-hours emergency call 540-992-2940, and our answering machine will prompt you to our on-call staff number.

Visitation not allowed during camp day:

DO NOT arrive at the church unexpectedly! Our site is closed to visitors/guests during the camper day from 9:00am to 4:30pm. While supervising campers, all staff are trained to stop and question anyone they don't recognize on site. If you need to visit prior to the official pick-up time (see "Pick-Up Procedures"), you must call ahead (540-992-2940).

#3: Preparing for daily "Day Camp" living:

Each counselor is trained to help guide your group safely and successfully through each camp day. Also, good parent preparation can give campers the knowledge they need to fully succeed during their camp week.

Physical expectations:

1. **Campers should come to Day Camp able to use the bathroom and clean-up on their own.** Let your camper know that she/he can ask her/his counselor to use the bathroom ANY TIME. Outdoor activities often venture away from bathrooms, so encourage your camper to "go" before they go; counselors will remind.
2. Our campers will be divided into age-group Units (K-2nd graders together; 3rd-4th graders together; 5th-6th graders together). Living all day in a group with 6-10 other persons might challenge our need for individual privacy. Knowing what your camper is used to, discuss how she/he might adapt to a living daily with others.
3. The majority of our Day Camp activities are held outdoors on and around the church property. This is NOT an "indoor" Day Camp, but we will use the indoors for lunch, snacks, bathrooms, and in case of bad weather.
4. We walk everywhere, and we're on-the-go most of each day. Comfortable (dry) shoes & socks are very important. Teach your camper about foot care, and prepare your camper for a highly active week.
5. On hot summer days it's important to drink lots of water and apply sunscreen. Pack your water bottle, and remind your camper to hydrate often and apply sunscreen 20 minutes before outdoor activity.

Social/Behavioral/Spiritual expectations:

1. Group living: We'll experience all our daily activities **together** as a family unit, including eating meals.
2. Make new friends: Even if coming with friends (campers WILL be paired with their choice of friend from their registration forms), encourage your camper to be friendly, courteous and helpful to others in the group. Family units are co-ed, unless we need to create an all-male OR an all-female group because one sex of campers registers more than the other. Family units are grouped by similar age/grade. Otherwise, your camper should expect to share their group with children of different backgrounds, gifts and abilities. We believe Jesus' message of life, hope, love and unconditional acceptance, and at camp, "Love your neighbor" is part of daily living.
3. Learning and following the Camp Rules (on page 2) is essential to a safe and fun week. Most of each day is active and boisterous. Also there are times and events during the day when we're expected to listen and participate calmly & quietly, (Bible study/worship, instructions/announcements).
4. Try new things: Camp is a great place to sing different songs, try and practice new skills, play new games, and grow in our relationships with God, with each other, and with Creation.

A sample Day-Camper daily schedule:

#4: Preventing homesickness:

Good parent preparation is essential to give campers the confidence needed to fully enjoy a camp experience:

1. Set realistic camp expectations based on our information and the activities listed in program description. Reinforce positive camp aspects; encourage new learning.
2. In the months before camp, practice time away from home with friends and relatives.
3. With your child, come and visit the church, or come visit Camp Bethel. Call us to arrange a self-guided pre-tour.
4. Don't force a child to camp who has no desire to go. Only send a willing-and-ready child to back-to-back camps.
5. Don't tell campers how much you will miss them. Instead encourage learning, new friends and new experiences.
6. Don't tell campers they can call home; if a camper is sad or if there is an issue, injury, illness or emergency the Director WILL contact parents.

Camp Bethel will never force a camper to stay at camp who does not want to stay.

Our counselors are trained in methods to prevent homesickness, and the nature of our program keeps campers active and engaged in camp activities and interpersonal relationships. If, however, your child becomes homesick:

1. All staff will do everything possible to address the cause and to encourage the camper.
2. If symptoms persist, the Director will call home to discuss options before you speak with your child.
3. If all determine the best option is to pick up your child, we will have the camper ready.

#5: Trading Post items for sale daily at Check-In and Check-Out:

Parents can shop with campers daily before check-in and after check-out. Camp Bethel t-shirts cost \$10, \$12, \$15; bottles \$15; blankets \$30; carabiners \$2, and other items range from \$2 to \$40. Trading Post earnings directly support the programs and ministries of Camp Bethel.
